

Weekly report of Kalimpong Animal Shelter

- Work has been running smooth at Kas
- Everyone is back at work now after a short Diwali break.
- Sterilisation programme at KAS is going on

- Lately, we are dogs at KAS. Four surrendered to

having more surrendered dogs from Siliguri were us last week.

- The ABC kennel is full with rescues and a few in-patients
- Dogs surrendered to KAS recently will be sterilised next week

- Two kittens and a pup got adopted this week

- Nirbak Aryanak Siliguri , an animal org. visited KAS for the treatment of a street dog they rescued with miscarriage. Kas Vet, Dr. Deo did the needful

- Kas dispensary as usual has been providing treatment to small animals. It's that time of year where dogs are seen suffering from viral disease like flu, kennel cough, parvovirus and distemper.

Thank

you
